## ClfA2025 – Shaping the future (of our profession)

30 April to 1 May 2025, Millenium Point, Birmingham

Sponsored by Towergate Insurance

ClfA2025 will be getting underway in a few months' time in Birmingham, with two full days of engaging content incorporating keynote addresses, wide-ranging sessions and training workshops. If you are not able to attend in person, don't worry; you will have the option to watch the recorded content in your own time.

### What to expect

The theme for ClfA2025 is *Shaping the future (of our profession)*. Ten years have passed since ClfA gained its royal charter. As we reflect on our progress since then and embark on a new phase in ClfA's journey, we will be asking: what does 'fit for the future' look like? How is the sector preparing for the opportunities and challenges the next ten years will bring? Do we have the right structures, standards and skillsets to drive change, contribute to sustainable growth and deliver social value? ClfA members are leading the way, embracing new technology, new thinking and innovative approaches, creating new knowledge and benefit for the communities they serve. Come and join us!

**Booking information**, special offers, news and a full timetable of sessions can be found on our conference website: [www.archaeologists.net/annual-conference](http://www.archaeologists.net/annual-conference).

### Conference bursaries

As part of our aim to make the conference as accessible as possible, we have bursaries available to assist with the cost of registering and participating in ClfA2025. Find out how to apply at [www.archaeologists.net/annual-conference](http://www.archaeologists.net/annual-conference).

### Looking to recruit staff this year?

Don't forget, you can advertise job vacancies in ClfA's weekly Jobs Information Service and Training bulletin (JIST). Adverts will go on our online web page and will also be included in the JIST e-bulletin, which is circulated to over two thousand subscribers each week. Find out more at [www.archaeologists.net/jist](http://www.archaeologists.net/jist)

If you're a ClfA member you can also subscribe to the bulletin as part of your membership. Just select the JIST in the free bulletins section on your member profile by logging into the member area on our website.

### The Weekly Update and call for photos

ClfA's Weekly Update bulletin provides a roundup of what's happening in the world of ClfA. It covers a broad range of news, including events, training and resources, advocacy and policy, collaborative working with partners, and much more. We would love to include content from members and Registered Organisations so please email news to: [carl.smith@archaeologists.net](mailto:carl.smith@archaeologists.net).

We are also keen to source striking images of archaeology for use in ClfA publications, our website, social media posts, or promotional material. If you have any archaeology-related photos that you're proud of and would like to share with us and the world beyond, please email Carl Smith on the address above.
