## CONFERENCE DIARY

### **EMAC 2011, 11th European Meeting on Ancient Ceramics Natural History Museum Vienna, Austria, 29th September - 1st October, 2011**

The main focus of EMAC is interdisciplinary studies and the archaeological interpretation of ancient ceramics. The conference is directed to studies beyond the traditional archaeological analyses; it is concerned with technological characteristics and analytical research of vessels and of other archaeological ceramic artefacts. EMAC shall bring together established scholars and young researchers from a wide range of academic backgrounds, including not only archaeologists and art historians, but chemists, geologists, petrologists, material scientists, and colleagues from other related disciplines.

More information about the conference can be found at:
